Historical Risk Factors	Low	Moderate	High	Critical Item
1. History of Violence	<input type="radio"/> No acts of violence	<input type="radio"/> 1-2 acts of violence	<input type="radio"/> ≥3 acts of violence	<input type="radio"/>
2. History of Nonviolent Offending	<input type="radio"/> No prior nonviolent offending	<input type="radio"/> <5 prior acts of nonviolent offending	<input type="radio"/> ≥5 prior acts of nonviolent offending	<input type="radio"/>
3. Early Initiation of Violence	<input type="radio"/> No known violent acts before age 14	<input type="radio"/> First known violent act between ages 11 and 13	<input type="radio"/> First known violent act prior to age 11	<input type="radio"/>
4. Past Supervision/Intervention Failures	<input type="radio"/> Complied with all court orders and treatment	<input type="radio"/> Failed to comply w/ court orders and/or treatment <3 times	<input type="radio"/> Failed ≥3 times to comply w/ court orders or treatment	<input type="radio"/>
5. History of Self-Harm or Suicide Attempts	<input type="radio"/> No history of self-harm or suicide attempts	<input type="radio"/> History of self-harm or suicidal gestures w/ no clear suicidal intent	<input type="radio"/> History of serious self-harm or suicide attempts	<input type="radio"/>
6. Exposure to Violence in the Home	<input type="radio"/> Has not witnessed violence in the home	<input type="radio"/> Witnessed occasional physical aggression and/or 1 act of serious violence in the home	<input type="radio"/> Witnessed chronic physical aggression or serious forms of violence in the home	<input type="radio"/>
7. Childhood History of Maltreatment	<input type="radio"/> No physical abuse or neglect	<input type="radio"/> Infrequent or less serious physical abuse or neglect	<input type="radio"/> Chronic or severe physical abuse or neglect	<input type="radio"/>
8. Parental/Caregiver Criminality	<input type="radio"/> No parental/caregiver history of criminal behavior as an adult	<input type="radio"/> Parental/caregiver history of occasional (<5) minor criminal behavior as an adult	<input type="radio"/> Parental/caregiver history of frequent (≥5) minor or any serious criminal behavior as an adult	<input type="radio"/>
9. Early Caregiver Disruption	<input type="radio"/> Continuity of care occurred during childhood	<input type="radio"/> Some discontinuity of care occurred during childhood	<input type="radio"/> Significant discontinuity of care occurred during childhood (>1 year)	<input type="radio"/>
10. Poor School Achievement	<input type="radio"/> No significant difficulties in school achievement	<input type="radio"/> Some difficulties in school achievement	<input type="radio"/> Significant difficulties in school achievement	<input type="radio"/>

Social/Contextual Risk Factors	Low	Moderate	High	Critical Item
11. Peer Delinquency	<input type="radio"/> Does not associate w/ delinquent peers	<input type="radio"/> Occasionally associates w/ delinquent or antisocial peers	<input type="radio"/> Frequently associates with criminal or antisocial peers	<input type="radio"/>
12. Peer Rejection	<input type="radio"/> No peer rejection	<input type="radio"/> Moderate peer rejection or significant past peer rejection	<input type="radio"/> Significant peer rejection	<input type="radio"/>
13. Stress and Poor Coping	<input type="radio"/> Mild stress, no significant losses, with average coping ability	<input type="radio"/> Moderate stress or loss, with adequate coping ability	<input type="radio"/> Moderate to significant stress or loss, with poor coping ability	<input type="radio"/>

Protective Factors	Present	Absent	Critical Item
P1. Prosocial Involvement	<input type="radio"/> Involved in prosocial activities/peer groups	<input type="radio"/> Little/no involvement in prosocial activities/peer groups	<input type="radio"/>
P2. Strong Social Support	<input type="radio"/> Strong social supports	<input type="radio"/> No strong social supports	<input type="radio"/>
P3. Strong Attachments and Bonds	<input type="radio"/> Strong attachment/bond w/ ≥1 prosocial adult(s)	<input type="radio"/> No attachment/bond w/ ≥1 prosocial adult(s)	<input type="radio"/>
P4. Positive Attitude Toward Intervention and Authority	<input type="radio"/> Positive attitude toward remediation/authority	<input type="radio"/> Not positive attitude toward remediation/authority	<input type="radio"/>
P5. Strong Commitment to School	<input type="radio"/> Exhibits high levels of interest/involvement/motivation	<input type="radio"/> Does not exhibit high levels of interest/involvement/motivation	<input type="radio"/>
P6. Resilient Personality Traits	<input type="radio"/> Exhibits positive and resilient personality characteristics	<input type="radio"/> Does not exhibit resilient personality traits	<input type="radio"/>

Additional Risk Factors	Low	Moderate	High	Critical Item
	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other Protective Factors	Present	Absent	Critical Item
	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Summary Risk Rating		
Low <input type="radio"/>	Moderate <input type="radio"/>	High <input type="radio"/>

Specific Conditions of Concern
